EXHIBIT K

PATENT ASSIGNMENT

WHEREAS, IMMERSION MEDICAL, a subsidiary of IMMERSION CORPORATION, having a principal place of business at 55 West Watkins Mill Road, Gaithersburg, MD 20878, hereinafter referred to as "Immersion," is the owner of the following patent application (hereinafter "Patent Application"):

<u>Application No.</u>	<u>Filing Date</u>	<u>Title</u>	<u>Country</u>
09/839,638	April 20, 2001	Interactive Computer Model of the Heart	United States

WHEREAS, Medtronic, Inc., with an address at 710 Medtronic Parkway, Minneapolis, Minnesota 55432, hereinafter referred to as "Medtronic", is desirous of acquiring the entire right, title and interest in and to said patent application listed hereinabove for the United States and for all foreign countries and in and to any and all foreign and domestic Letters Patent which may be granted therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Immersion has sold, assigned, transferred and set over and by these presents does sell, assign, transfer and set over unto Medtronic, its successors and assigns, the entire right, title and interest in and to said patent application and the entire right, title and interest in and to any and all Letters Patent of the United States and any foreign countries which may be granted therefor including Immersion's rights under the International Convention for the Protection of Industrial Property, and in and to any and all extensions, divisions, continuations, continuations-in-part or reissues of said Letters Patent that may be granted, the same to be held and enjoyed by Medtronic for its own use and behoof and use and behoof of its successors and assigns to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by Immersion had this assignment and sale not been made;

AND, for the consideration aforesaid, Immersion materially represent to Medtronic, its successors and assigns, that at the time of the execution and delivery of these presents, Immersion is the sole lawful owner of the entire right, title and interest in and to the invention, application and Letters Patent above mentioned, and that the same are unencumbered, and that Immersion has good right and lawful authority to sell and convey the same in the manner herein set forth;

AND, for the consideration aforesaid, Immersion covenants and agrees to and with Medtronic, its successors and assigns, that whenever its counsel or the counsel of its successors or assigns, learned in the law, shall advise that an amendment or division of, or continuation or any continuation-in-part thereof, or any other proceeding in connection with the filing or prosecution of said domestic or foreign patent applications, including interference proceedings, is lawful and desirable, or that a reissue of extension of said Letters Patent is lawful and desirable, Immersion, or

its executors, administrators or assigns will sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue or extension of the same, without charge to Medtronic, its successors or assigns, but at Medtronic's expense;

AND, Immersion does hereby sell, assign, transfer and convey to Medtronic, its successors, legal representatives, and assigns all claims for damages and all remedies arising out of any violation of the rights assigned hereby that may have accrued prior to the date of assignment to Medtronic, or may accrue hereafter, including, but not limited to, the right to sue for, collect, and retain damages for past infringement of the said issued Letters Patents.
